  - 3.1 Approve Items for Disposal **Action Item**

Per board policy, all items that are on our school inventory must have board action prior to disposal. There are several items that came in after the July board meeting that need to be disposed of due to being worn out, replaced, or otherwise not necessary for the function of the school. The administrative recommendation is to place the items on the school auction; anything that is remaining after that time, we will work to dispose of in a timely and economical manner.

**“I move to approve the list of disposal items for the school auction and disposal.”**
4. Adjournment
